Brief Description about the activity	<p>Live Wire Club, Guru Nanak Dev Engineering College, Ludhiana organized a successful Event called Red Mic Green Mic on November 30, 2022. 173 students from first and second year participated in this event. 38 second year students were in the discipline team while 8 were in OC.</p> <p>Event consisted of two sections. First there was a fun game (Red Light Green Light). Game had two rounds, elimination round and final round. In elimination round two groups of 50 students played to be selected. 10 students from each group were selected and sent to final round. In the final round 3 students were declared winner. Rules of the game are mentioned in the next page. After the game, Dr. Gunjan Bharadwaj, Dr. Rajvir Kaur, Prof. Shaminder Singh and Ms. Nisha Mason gave certificates to the winners.</p> <p>Second section consisted of an open mic where several students showed their talent in front of audience in a controlled environment.</p> <p>After the event, organising committee and some volunteer students picked up the trash and cleaned the venue.</p>

Rules for the game:

1. A total of 100 players can participate in this game which will be divided into two groups of 50. Each group will play separately one after the other.

2. Players will have to go from starting line to finish line. They can only move when the music is playing. Players are not allowed to move when the music is not playing.
3. There will be 2 rounds. In first round first 10 players to cross the finish line will move on to the second round from each group.
4. After qualifying from the first round, 20 players will compete in the final round and first three to cross the finish line will be declared winners.
