

Felicitations

It is a moment of proud for all students of B.Tech. first year and GNDEC, that 'Causmic Club' of Applied Science Dept. has got a grant of Rs 1 Lac under the from AICTE under the SPICES (Scheme for Promoting Interests, Creativity and Ethics among Students) scheme. This cheme provides financial support to institutions for developing students club for well-rounded development of students by promoting their interests, creativity and ethics. This club should serve as a model for other clubs in the institution and also those in other institutions. The objective of this scheme is to energize and position students club/ Chapters/ Societies as facilitating entity for pursuit of individual interests, creative work, showcasing talent, networking and teamwork opportunities, social experience; organization and management skills, exposure to professional ethics etc.

This has been possible due to efforts put by all students of B.Tech. first year for participating whole heartedly in the activities organized by the department as well as in other institutions of the state and winning many prizes.

Regards

H.O.D. (App. Sc. Dept.)
