SMART INDIA HACKATHON 2022

Smart India Hackathon 2022 is being conducted by the Government of India. Submission of problem statements is on now. Students who wish to participate in this event are required to submit their team details to undersigned **latest by 27.3.2022**. For formation of teams following guidelines need to be followed:

1. All team members should be from same college; no inter-college teams are allowed. However, members from different branches of the same college/ institute are encouraged to form a team.
2. Each team would mandatorily comprise of 6 members including the team leader.
3. Each team must have AT LEAST ONE FEMALE TEAM MEMBER.
4. As the software edition of the hackathon is digital product development competition, majority of the team members MUST be well versed with programming skills. For the hardware edition, we encourage multi-disciplinary teams – which means your team should have a good mix of Mechanical Engineers, Electronic Engineers, Product Designers and Programmers, etc.
5. The nominated teams should have participated in the recommended Internal hackathon. The internal hackathon was conducted through EICT ,IIT Roorkee.
