

# **Notice regarding workshop on “Virtual Labs” for B.Tech. first year students**

Department of Electrical Engineering, Applied Science and Computer center are jointly organizing a workshop on “Virtual Labs.” In association with IIT Roorkee from Dec 01, 2021 to Dec 03 2021. There will be nine sessions in the workshop and each student of B.Tech. first year shall have to attend one session of the workshop as per their schedule (to be displayed soon). Post COVID-19 pandemic, the relevance of this workshop is very important to understand and learn practical subjects by performing experiments virtually through simulations. The resource persons from IIT Roorkee for giving training to the students are highly experienced and directly involved in creating various virtual lab experiments.

Therefore, an overwhelming response is expected from the students for this workshop.
