### ***'Phrasal Verbs'***

We use phrasal verbs in our day- to- day life. Phrasal verbs are better suited to informal speech. You would complain about your friend who has not kept his/her promise by saying, "He has backed out at the last moment."

Phrasal Verb=verb + preposition and/or adverbs

Like idioms, phrasal verbs are widely used in English and they make our expression rich and fresh. They form a fixed group of words with an idiomatic meaning. They are expressions whose real meaning cannot be detected from that of constituent words.

Let's explore certain phrasal verbs:
